Sunfixings Limited was incorporated on the 10th of January 2011 as a quality designer, manufacturer and supplier of Solar Photovoltaic Mounting Systems and has enjoyed continuing success and profitability since. As part of our natural and commercially sensible progression, Sunfixings incorporated Solar Perfect Limited (13/05/2016) and Skyshield-Secure Limited (14/06/2016). Following advice from our Financial and Legal Support Teams, having noted our future progression it was decided to incorporate Sunfixings Group Limited (11/12/2015) such that this Company could operate our sister Companies for different areas of our business along with protecting all our assets and intellectual property.
